

PARTS FOR N. AMERICAN & ASIAN OEM QUALITY AFTERMARKET PRICE

For North American & Asian vehicles, A.P.A. Industries, LLC offers the **Autotecnica** brand of quality replacement parts, which meet or exceed OEM specifications and are covered by a remarkable 24-month, unlimited mileage warranty. Not only are the components manufactured per uncompromising ISO/IATF 16949 QMS standards, **Autotecnica** is often the exclusive aftermarket alternative to overpriced "Genuine" dealer components.

When OEM parts aren't good enough, professional mechanics often choose the **Autotecnica Premium** line of problem-solving components, which are superior to failure-prone original parts thanks to improved designs and/or better materials. Identified by a gold hologram seal of authenticity, A.P.A. guarantees these upgraded components with an unlimited mileage, **lifetime warranty**.

Intake Manifolds w/ Gaskets
Chrysler, Ford, GM, Hyundai, Kia,
Mazda, Mercury, Toyota

Aluminum Engine & Transmission Pans w/ Replaceable Filters
Chrysler, Dodge, Ford, Jeep, Ram

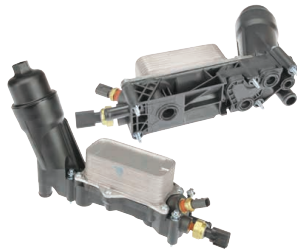

Expansion Tanks
Chrysler, Ford, GM, Honda
Kia, Mazda, Nissan, Toyota

Valve Covers w/ Gaskets
Chrysler, GM, Honda, Hyundai, Kia,
Jeep, Nissan, Suzuki, Toyota

Aluminum Thermostat Housings
Acura, Chrysler, Dodge, Honda, Jeep,
Lexus, Mitsubishi, Ram, Scion, Toyota

**Oil Filter Housings
w/ Gaskets & Sensors**
Chrysler, Dodge, Jeep, Ram

Vapor Canister Vent Valves
Ford, GM, Infiniti, Mazda, Nissan

Secondary Air Injection Pumps
Acura, Honda, Lexus, Toyota

Xenon HID Headlight Bulbs
D1S, D2S, D4S

Diesel Exhaust Fluid Heaters
Ford 6.7L

Diesel Exhaust Fluid Pumps
Ram 6.7L

HVAC Flap Actuators
Acura, Chrysler, Ford,
GM, Honda, Lexus,
Lincoln, Mazda, Mercury,
Mitsubishi, Toyota

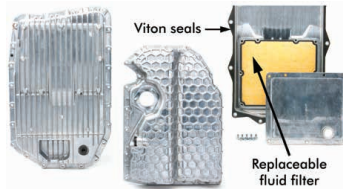

COMPONENTS FOR EUROPEAN INNOVATIVE REPAIR SOLUTIONS

A.P.A. Industries, LLC is the proud manufacturer of the **ÜRO Parts** brand of aftermarket replacement parts for popular **European** vehicles, which are manufactured in strict accordance with ISO/TS 16949 QMS specifications to meet or exceed original equipment quality. **ÜRO** stands behind its products with an impressive 24-month, unlimited mileage warranty, making **ÜRO Parts** an excellent alternative to “Genuine” items from the dealer.

With its **ÜRO Premium** line, A.P.A. offers problem-solving, upgraded components that are superior to a variety of OEM parts in design and/or materials, which are covered by an unlimited mileage, **lifetime warranty**.

ÜRO Parts also specializes in restoration parts for classic vehicles, including a variety of essential components that are no longer available from the dealer. Replacement of worn, brittle, or faded parts with new **ÜRO** reproductions instantly enhances any vehicle restoration.

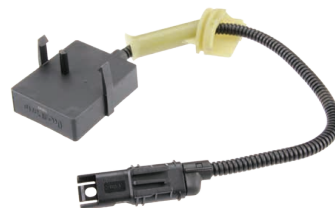

Engine & Transmission Pans
Modern pans are usually plastic with integrated filters. ÜRO offers aluminum with cooling ribs & replaceable filters.
BMW, Audi, Porsche, Volkswagen

Pulleys w/ NTN & NSK Bearings
Bearings usually fail first in pulley assemblies. ÜRO uses high-quality NTN & NSK bearings when possible.
Popular Makes & Models

Aluminum Pump Pulleys
Plastic pulleys often become brittle and shatter. ÜRO alloy aluminum pulleys are impervious to vibration and oil exposure.
BMW, Porsche

EAC Radiator Sensors
Replace a malfunctioning OEM Environmental Air Catalyst sensor instead of entire radiator assembly.
BMW, Mercedes, Volkswagen

Brass Actuator Gears
Broken plastic gears disable actuators for parking brake, sunroof, transfer case, and convertible top. Upgrade to brass.
BMW, Land Rover, Mercedes, Porsche

Aluminum Thermostat Housings
Tired of warped or cracked plastic? Durable metal housings can handle intense heat and pressure cycling.
BMW, Jaguar, Mini, SAAB

Valve Covers w/ Gaskets
ÜRO offers top-quality aftermarket alternatives to expensive OEM covers.
Audi, BMW, Jaguar, Land Rover, Mercedes, Mini, Porsche, VW

Metal Cooling System Components
Replace failure-prone plastic OEM components with ÜRO aircraft-quality aluminum pipes, flanges, & connectors.
Audi/VW, BMW, Jag, Mini, LR, Porsche

Collapsible Water Transfer Pipes
Replace a leaking OEM timing cover seal without major engine tear down, reducing parts & labor by up to 70%.
BMW V8/V12

Hose Assembly Repair & Upgrade Kits
Repair OEM hose assemblies & upgrade turbo coolant lines with silicone or Kevlar-reinforced hoses and aluminum fittings.
BMW, Mini

Complete Intake Manifolds
Flange gaskets, vacuum actuators, and flap position sensors typically included.
Audi, BMW, Volkswagen

Intake Manifold Repair & Upgrade Kits
Silicone diaphragms, metal & Delrin links.
Mercedes V6/V8, Audi/VW 4.2L
